Solidarity with the Communist Party of Turkey

Dear comrades,

The Central Committee of the Communist Party of Canada conveys militant greetings to the leadership and members of the Communist Party of Turkey (TKP), and demands the immediate release of the six TKP members unjustly detained by Turkish authorities in a vain attempt to silence popular protests against the suppression of justice and dissent in that country.

Our Party stands with you and all democratically-minded forces in Turkey in the face of the draconian measures of the Erdoğan government to intimidate the labour and political rights of the people. At this critical moment, the TKP and the democratic forces of Turkey are remaining firm, refusing to bow down to authoritarian pressures and actions. We stand in solidarity with your principled resistance!

Comradely,
Central Executive,
Communist Party of Canada
